The screenshot shows a configuration window with two main panels: 'Filter' and 'Column'. The 'Filter' panel contains several items: 'Report Code' (highlighted with a red box), 'Report Name', 'Folder Code', 'Report Sort Sequence', 'Report Path', and 'Report Size'. The 'Column' panel is currently empty. Below these panels are sections for 'Row' and 'Data', both of which are also empty.

This screenshot shows a different configuration window. The 'Filter' panel contains: 'Expected Time', 'Other Item 1', 'Other Item 2', 'Owner Code', 'Modifier Code', 'Date Created', and 'Date Modified'. A red box highlights a vertical scrollbar on the right side of the Filter panel. Below the Filter panel is a 'Row' section with a dashed blue rectangular box.
