Group , Group .

The diagram is divided into two horizontal panels, each showing a design group with a red dashed border and a blue dashed border. The word "Group" is written in large, light gray letters in the center of each panel.

Top Panel: A red dashed rectangle with dimensions 120 (width) and 20 (height) is selected. A blue dashed rectangle with dimensions 200 (width) and 100 (height) is also shown. A text box on the right contains the text: "디자인 그룹 내 개별 컨트롤 선택 시, Group 컨트롤 내로 이동 불가" (When selecting an individual control within a design group, it cannot move into the Group control).

Bottom Panel: The same red dashed rectangle is shown. The blue dashed rectangle is also shown, but it is now selected. A text box on the right contains the text: "디자인 그룹 자체 선택 시, Group 컨트롤 내로 이동 가능" (When selecting the design group itself, it can move into the Group control).
